

2015 HEIDELBERG RECOGNITION DONORS

Gifts received and recorded during the university's Fiscal Year 2015, beginning July 1, 2014, and ending June 30, 2015, are reflected herein.

In this list, as in past lists, we gratefully acknowledge all who have contributed to Heidelberg University. As we started last year, we have provided additional information with the class years appearing after alumni names. An "H" before the year signifies that the degree is honorary, a Heidelberg $\bar{\text{H}}$ means that the individual is an honorary alumnus/a, and an "x" prior to the class year indicates that the alumnus/a is a class member but did not graduate from Heidelberg. We treasure all of our alumni – honorary, degreed and non-degreed – as well as friends and all members of the Heidelberg community.

While we have made every effort to ensure accuracy, we recognize that both computer and human errors are possible. If your name has been omitted, misspelled or incorrectly listed, please accept our apology and bring the error to our attention by contacting Stacy Wheeler, Director of Advancement Services, in the Office of Institutional Advancement & University Relations by phone at 419-448-2888 or by email at swheeler@heidelberg.edu.
